

Q1 How often do you use the existing Village Hall?

Answered: 131 Skipped: 0

ANSWER CHOICES	RESPONSES	
Weekly	14.50%	19
Monthly	12.21%	16
Quarterly	19.85%	26
Twice a year	15.27%	20
Once a year	22.90%	30
I never use the Village Hall	15.27%	20

Q2 Hadlow Down needs a new high quality Village Hall and Sports Pavilion for use by the whole community? Please tick the answer that most represents your views and add your own ideas if you wish in the comments section.

1	The village hall is the heart of the village, the better the hall the better for the village	7/26/2023 11:36 AM
2	The old one is small and somewhat uninviting ... a new one would be Community building, would be hired more often generating more income.	7/24/2023 9:06 PM
3	There isn't much of a community life in Hadlow down and it would be so nice to have a proper space for everyone to use and come together!	7/24/2023 8:36 PM
4	I believe a new Hall and Sports Facilities will be a much needed, updated community space for ALL, young and old, to meet for recreation, social events, education, and entertainment, catering for the needs of today and for the future. The improved access and provision for parking will make it more attractive to hire out.	7/24/2023 6:42 PM

5	This seems to me to be a vanity project, the existing hall is perfectly adequate for the limited use made of it. The funds for this project could be better spent on things the village really needs.	7/24/2023 4:47 PM
6	I used to use the current village hall when my children were younger, but not so much now. However, when considering a location to hire, the current village hall has limited amenities and limited parking in Hut Lane.	7/24/2023 4:37 PM

7	I old one smells and there are often issues with the toilets. Parking is also an issue currently.	7/24/2023 3:51 PM
8	I have never used it, and so have no opinion. But I am sure updates are always a good idea!	7/24/2023 3:49 PM
9	Great local community space!	7/23/2023 9:36 PM
10	In time, the current village hall will become very high maintenance and costly to run.	7/23/2023 5:30 PM
11	It needs a sports pavillion but not a new hall	7/22/2023 10:45 PM
12	The Village Hall is the the beating heart of the village but the present Hall is poorly sited with limited facilities for sport.	7/22/2023 7:35 PM
13	A new hall could bring so much to the local community, just as the one in Punnetts Town has to theirs.	7/22/2023 9:25 AM
14	too big. too expensive. to costly to run. this is hadlow down not hailsham. Update the current hall. Its the right size in the right place. it will be cheaper. The sports pitches at the field too small to attract larger registered clubs. so no need for a swanky club house.	7/22/2023 8:42 AM
15	The current hall is cold, the facilities limited and outdated. Parking is hugely problematic. Just not accessible. I did wonder if, as a functioning building once repaired it could still have value? For instance, Can it be re-purposed so that money spent on repairing the roof is beneficial long term as well as in the short term while the new is built. Repurpose as a working hub for HD and other local village peeps to congregate. So many are now working hybrid and it would bring people together and support MH management and generate income. Using the old hall for this, would ensure the purpose of new hall is clear in people's minds : sports and social (as per its name) For instance, it could be unattractive to have one space for conflicting purpose, work versus leisure space. Maybe there are other repurposing ideas so we can have the best of both worlds and tick boxes for the majority of villagers - it could protect the area as well, as this seems to be causing anxiety (despite reassurances -I noted there was the cited 'duty of care' around how the land as a caveat communicated on the referendum re gift. The business plan needs to include the old village hall somehow. Apologies for waffling, hope I am being clear. Bit tired!	7/21/2023 9:04 PM
16	The new hall is potential hub for activities promoting community cohesion, health and social well-being, and fun. As such, it will also draw people from beyond the village to use it for sporting and other activities from with parishioners may benefit. It is also likely to place Hadlow Down on the map for a well designed and constructed venue for hosting weddings and similar functions. Quality will be a key factor for the new hall.	7/21/2023 9:02 PM
17	It would benefit the community as would provide modern facilities that would be used for all ages. At the moment the hall is used for a variety of different purposes.	7/21/2023 1:34 PM
18	The village hall is used well in its current state, but would be used more and for a wider variety of activities if we had a new hall	7/21/2023 8:17 AM
19	We badly need a lot more parking space.	7/19/2023 6:29 PM
20	The existing hall is need of a complete overhaul, at considerable cost. Cold in winter with inadequate heating.	7/19/2023 1:28 PM
21	The village desperately needs a centre to bring us all together as a community.	7/19/2023 9:46 AM
22	The fabric of both premises is deteriorating. I visit the hall weekly when rehearsing for Drama productions or monthly, when committee meetings are booked for the hall and always return with the "smell of the village hall" impregnated in my clothing, indicating underlying damp problems The kitchen facilities in both buildings are woefully inadequate and whilst catering for 80 plus has been achieved in the Hall and for 24 plus at the Pavilion, this has not been without a 'coping and compromise' situation. Improved facilities would undoubtedly increase booking revenue as demonstrated at another local hall. Storage facilities for regular club users in both venues are also inadequate, with equipment being stored in private homes around the village, making access difficult without prior arrangement. Parking at the Hall is insufficient for major events, requiring the good will of neighbours in close proximity to kindly lend their private land for parking. Were this circumstance to change, parking would not be possible.	7/18/2023 8:24 PM
23	Hadlow Down needs a meeting point to draw the villagers together.	7/18/2023 6:54 PM
24	The village needs to replace the old hall which is in poor repair and nearing the end of its serviceable life. A new state of the art hall on School Lane would be fantastic for the village and help to build the community with both new and traditional activities. The school will also	7/17/2023 5:41 PM

benefit from having it nearby and can undertake many activities they currently don't have the space to offer. The playing field is such a asset for the village and hopefully a new hall and pavilion will attract long term Cricket and Football clubs to the village. Hadlow Down needs to move with the times and create community space that will be fit for years to come. Congratulations to the committee ..keep up the good work!

25	It's just what the village needs I love going to the playing field to the little cricket hut it's a proper gem of a place. Be amazing with the new hall there.	7/17/2023 5:09 PM
26	Existing hall is not fit for purpose. Why waste money on repairing the old hall when better spend on a new facility.	7/17/2023 4:39 PM
27	The current village hall is not fit for purpose any longer and to continually repair it feels like a waste of time and money. For small events, it does the job but I think investing in getting a new village hall and sports pavilion will be much more beneficial for the community as a whole.	7/17/2023 1:46 PM
28	Hi -- the planning for the new facility has been well thought out and inclusive. Funding will be a problem -- but if the Village Hall Committee can find a way to make this work -- will be an amazing facility that will last for generations. If Hadlow Down is going to retain its distinct sense of a village/community for the next 20-30 years - this facility will play a big role.	7/17/2023 10:04 AM
29	If I'm honest I neither agree or disagree. It would be lovely to have but how much would it be used...? Whilst aimed at the Hadlow Down parish would it draw in wider use, Buxted, perhaps. I'm thinking as a small business who runs exercise classes, it would be fantastic to have new facilities to hire to hold classes but I'm not sure I'd get the numbers in classes just from Hadlow Down. So I'm all for this venture but I have some hesitancy about cost v use.	7/17/2023 8:00 AM
30	The old village hall is old and tatty. I would definitely hire at the new village Baal for my kid's birthday parties	7/16/2023 9:23 PM
31	The existing Village Hall ,due to its age needs a lot of ongoing repair and maintenance and is expensive to run . It has very poor (and I would say potentially dangerous access at times) directly from the 272 and limited parking . The Hall is very limited in what it can offer by way of services for a community that has an increasingly broad demographic . The largely wooden and ageing Pavilion requires constant maintenance throughout the year and requires changing rooms, showers and a new kitchen to bring it up to required standards. Currently , visiting teams for sports games either have to arrive in their sports kit or change in outdoor Tents for privacy .	7/16/2023 7:22 PM
32	I feel it would be more cost effective to develop the existing site	7/16/2023 5:57 PM
33	The old hall is no longer fir for purpose. It's inefficient cold in winter and too hot in Sumner.	7/16/2023 2:00 PM
34	Both buildings are totally inadequate for modern day usage and do not meet health & safety requirements as well as those for the safeguarding of young people and vulnerable adults.	7/16/2023 8:54 AM
35	A new Hall would act as a hub for the community including young mothers with babies/toddlers.	7/15/2023 1:28 PM
36	ENGAge TN22 Clubs use the hall weekly, parking for volunteers who collect Club members is a major issue as is the sate of the unmade road road which in winter weather is unsuitable for our elderly members to walk over, another major issue is in wet weather the dirt and damp spoils the insides of our cars and is a deterrent for us been able to persuade potential volunteers to assist with transporting our clents	7/14/2023 8:56 PM
37	The current village hall meets the needs of the village in most circumstances. The playing field pavilion may need updating but is mostly used by people from outside the village.	7/14/2023 10:56 AM
38	The existing village hall and sports pavilion are simply too small for the needs of a growing village. It would be lovely to have a community hub for all ages to use and enjoy.	7/13/2023 11:51 PM
39	The current facilities are no longer fit for purpose and would require major works to bring up to scratch. A new quality village hall will attract more people to use it for wedding and parties as per High Hurstwood.	7/12/2023 1:59 PM
40	Disagree, based upon the size of the proposal for the new HDCC, but agree we need to review the current Village Hall and Sports Pavillion, as both are coming to the end of their life's; however the new proposal is on a too larger scale than required in Hadlow Down - we are a small rural village, the HDCC proposal would be more relevant in Uckfield/ Heathfield - proposal includes parking for 43 cars, 5 disabled, 10 bicycle places & 8 electric charging points - I don't think I've ever seen 10 bicycles in HD; even Freedom Leisure in Uckfield does not have these facilities. HDPF - the football pitch is not large enough for adult games	7/11/2023 12:47 PM

(max U12s, but currently no home team from elsewhere); we have 7 home cricket games per annum (of which approx 2 players live in the village). If we were constantly turning bookings away from the Village Hall/ Playing Field, I would be more confident in supporting but at this time - too bigger project for HD, expensive for likely use and potentially burdens residents with future costs (whilst the HDCC Committee can't impose future costs, the PC can if it was built)

41	The village needs a modern focal point for young and old to gather in safety and comfort. The current hall is too small, is separate from the outdoor facility, is hidden, uninviting and will never be able to fulfil the brief.	7/11/2023 10:48 AM
42	The village has a hall. yes in need of a new roof and other work. But it will not cost £2000000.00 The current hall is already underused but can pay for its own running. The hall of the kind you are proposing will need a full time caretaker and additional management. Hadlow Down does not need a hall of this size. Upgrade the existing hall for a fraction of the cost. The world as changed since the first survey. covid changed a lot of social activities for ever.	7/10/2023 9:12 PM
43	The cricket pavilion is well past its sell by date and doesn't reflect current changing facilities. Village hall has poor parking, too small kitchen, poor storage.	7/8/2023 4:22 PM
44	The existing hall needs updating and pales in comparison to other local halls such as in Five Ashes and the Community Hub in Hellingly	7/7/2023 6:50 PM
45	Improve the existing pavilion to ensure it's fit for supporting sports and improve the existing village hall. Both would be more cost effective and less impactful on residents than the new proposal. I'm sure residents near the existing village hall don't want to see an additional 3 houses being built in its place.	7/7/2023 7:33 AM
46	Unless you have children at our local school there is no meeting place in our village. It would be great to have a high quality village hall and sports pavilion. With this I would use it far more regularly than I do the present one.	7/5/2023 1:49 PM
47	The existing village hall should be upgraded and improved. In this post-covid world this would be a much better use of funds than providing the new proposed building which would be excessive for a small village. Planning conditions I believe dictate that the new hall cannot be used more frequently or to greater capacity than the existing, so, apart from the replacement of the sports pavilion, what's the point? There was a proposal to speak to adjoining land owners about additional parking at the existing hall site. This should be revisited with a definite proposal to see if this might be a solution to the lack of existing parking. We are living in a different world to the pre-covid one. People do not want to go out as much; this coupled with the cost of living crisis and rising interest/mortgage rates means that the big new joint building is simply no longer relevant. There is also the issue of the diocese lease, for which the clock is already ticking. Several years of this has already been lost; by the time the new building is completed - if ever - how much time will be left? Enough to justify the huge outlay? The focus should be switched to simply replacing the existing pavilion which is probably beyond economic repair with something of similar size, enlarged only enough to provide 21st century facilities (toilets, changing, kitchen) and repairing and modernising the existing village hall. This would be much more realistic cost wise and is something that is more likely to be supported locally and achievable within the village. To keep throwing money at the new community hall building is unjustified, unwarranted and irrelevant. Considerable expense has already been put into this; it is time to realise and accept that the world has moved on, draw a line under the project and start looking at what is relevant today, not 5-10 years ago.	7/5/2023 10:36 AM
48	The scale of the proposed new village hall & sports pavilion is not proportional to the size of the village. This means that the intention is for a wider community use, this does not benefit the village or its residents. What it means is more traffic, more noise and more air pollution from people outside the village coming to use the facility. People are move to a small village to keep away from larger communities, this project will encourage that larger community into our small village to use the facility. It is not necessary or wanted by the majority of the residents, as was shown in your last survey by the amount of people that responded!	7/3/2023 3:44 PM
49	I believe that the existing hall is sufficient for the needs of a village the size of Hadlow down. IF it was combined with Buxted, then I think there may be a need for a larger hall. A new sports pavilion may be required but am also concerned about whether any money to be spent can be justified on the basis there is not a full size football pitch.	7/3/2023 3:27 PM
50	The current VH serves its purpose although some money needs spending on it. The Cricket Pavilion definitely needs a re build	7/3/2023 2:23 PM
51	The old village hall is so tired and needs a new roof, it makes sense to combine the pavilion and hall to get even better facilities for the village. It may also attract users from nearby	7/3/2023 1:44 PM

Buxted too.

52	I am outside the village but still in the parish of Hadlow Down, and I have been to numerous events centred on the playing field and clubhouse.	7/3/2023 1:33 PM
----	---	------------------

53	I do agree but as a resident of Standen Mews I am apprehensive to what the plans would be for the redevelopment of the existing village hall and how this would impact our current views overlooking the fields from the rear of our house.	7/2/2023 12:44 PM
----	---	-------------------

Q3 Do you support the proposal to build a New Village Hall and Sports Pavilion at the Playing Field?

Answered: 131 Skipped: 0

ANSWER CHOICES	RESPONSES	
Yes	83.21%	109
No	16.79%	22
TOTAL		131

#	PLEASE TELL US WHY	DATE
1	A new sports pavilion will hopefully encourage more sporting fixtures to take place at the playing fields, as well as providing a nicer place for supporters to be.	7/26/2023 11:49 AM
2	Space, facilities and parking are lacking in the existing and ageing hall.	7/26/2023 11:36 AM
3	I think a new space would bring together the village community in a way that just isn't possible with the existing equipment/ space.	7/24/2023 10:42 PM
4	It would be great for sporting events and be used much more!	7/24/2023 10:22 PM
5	The old one is small and somewhat uninviting ... a new one would be Community building, would be hired more often generating more income.	7/24/2023 9:06 PM
6	Mentioned above	7/24/2023 8:36 PM
7	Because it can be the hub of the village and create a the perfect space to host and hold events, classes etc. I do not use the current facilities very much at all but would hope to along with my family if it was a good place to be.	7/24/2023 6:57 PM
8	The location will be so much more flexible. Children will be able to play outside of the Hall. The Playground will be safer once moved away from the road. The school will be able to utilise both the sports facilities and the Hall for plays etc. Is there a way to alleviate parking on School Lane with a new car park at the field?	7/24/2023 6:42 PM
9	See above. Unnecessary, extravagant waste of funds.	7/24/2023 4:47 PM
10	The village would benefit from the new village hall being located at the playing fields. This would create a community hub, with more space and plenty of parking to host a number of events. It is also a much safer walk from school. This is and amazing space for use by the children for sports days, leavers parties, and outdoor classroom time. With newly developed amenities on site, this area would be ideal for these activities	7/24/2023 4:37 PM
11	So long as it is in keeping with the look and feel of the community, and has open accessibility which it claims to, and has a use value for the wider community, whether senior citizens, arts & culture, etc.	7/24/2023 3:49 PM
12	The playing field would benefit enormously from having a modern pavilion	7/24/2023 6:59 AM

13	I think it will bring people together and enable more village activities.	7/23/2023 9:36 PM
14	I think a new village hall will inspire new creative workshops to the village and support on going sport interests. This would also benefit a wide range of events and special celebrations. A true asset to the community.	7/23/2023 6:01 PM
15	Space inside and out. Improved facilities within the hall. Improved parking.	7/23/2023 5:30 PM
16	The currant VH is in a wonderful situation with some of the best views. For the size of the village the VH is OK. Its the perfect size and is homely.	7/22/2023 10:45 PM
17	Space and facilities could be made available for a wide range of activities. The existing hall is showing its age and has poor parking...it was built before cars were in very wide use.	7/22/2023 7:35 PM
18	The facility is not required. Also it will attract outside traffic and disturbance.	7/22/2023 10:21 AM
19	The existing hall is used in so many ways, I think I new, modern building that more adequately supports the needs of the community for sport, charity and social events could make a huge difference.	7/22/2023 9:25 AM
20	The village needs more life, and more opportunities to provide clubs and activities. The ability to hold parties and small events there would be a great source of income for the village.	7/22/2023 9:01 AM
21	hadlow down has a hall already of the right size and in the correct place the center of the village. Hadlow down cannot and never has in recent history fielded a football or cricket team so building a new club house would be foe those from outside of the village	7/22/2023 8:42 AM
22	It offers a central accessible venue for villagers to congregate and host events, bringing people together will cultivate a sense of belonging and community cohesion. The venue and its location is open, with a sense of space and freedom and could offer a multitude of indoor and outdoor activities that I envisage would be both profitable financially and for wellbeing. Very exciting!	7/21/2023 9:04 PM
23	Recently, I was hunting high and low for a hall to host regular dance club venue. After much searching, I landed on Rotherfield Village Hall which because it was well lit, spacious with ample parking and affordable. Is it quality? Well, not a patch on the planned Hadlow Down hall. I am a power user of village halls and struggle to find quality ones, in particular, those designed with the user in mind. In my case, spring-loaded flooring is highly prized. The New HD Village Hall will hopefully include this in the function room adding to the quality and sure to attract competing tenders for the space. I just hope I will be lucky to hire it.	7/21/2023 9:02 PM
24	It is a good, accessible site with space, parking and an excellent playing field adjacent to the proposed site	7/21/2023 6:05 PM
25	The playing fields is a large area with space for cars to park which the current hall does not have the space for. It would also enable a larger building that could have more room to be used as different things.	7/21/2023 1:34 PM
26	It has good access and parking	7/21/2023 8:57 AM
27	I think it would enhance the. Village and provide a place for more village activities m, bringing the village closer together	7/21/2023 8:17 AM
28	A replacement building is needed to reinvigorate the village and the community. A strong and up to date base with safe facilities for community activities, including sport and dance, with a place to meet for committees, will improve connectivity with local larger towns.	7/20/2023 12:03 PM
29	the current hall is not fit for purpose. with the hall being built at the playing fields we will be able to host more people at the hall for events. The current hall is too small. At the new hall, we would be able to have proper parking spaces on tarmac with easier access to the hall for people with disabilities or anyone who has difficulty walking. Parking at the current hall is extremely limited. To access the current hall people have to walk across uneven stony ground riddled with potholes and uneven ground and in the dark or dusk can be dangerous. The current concrete ramp leading to the front of the hall has a wooden rail which is quite unsteady and at some point needs repairing The drain at the bottom of the concrete ramp has flooded which is not pleasant if having to access/exit the hall at that time. The current hall is damp with mould growing on the walls. Facilities are below par. In the summer the drain smell is not pleasant and the smell can sometimes waft into the main hall. In the winter, the hall can take a while to heat to an acceptable level. With good facilities other clubs, societies may be attracted to use the new hall.	7/20/2023 6:58 AM
30	It would be great to have all the facilities in the same area	7/19/2023 6:29 PM

31	Yes, as per question 3	7/19/2023 1:28 PM
32	Multi purpose hall provides a practical facility to develop a social and sporting programme for villagers In turn helps create stronger community	7/19/2023 10:13 AM
33	It is central and has the space, surrounded by lovely grounds.	7/19/2023 9:46 AM
34	As stated above, the inadequacy of both the present buildings. Because 13 years of voluntary work resulting in £80,000 in grant funding (not costing the village a penny) has been spent in getting Planning Permission, which some said would not be achieved, but it was! To throw away the opportunity to provide a high-end facility for the parish, both now and in the future is short-sighted. Fundraising events to generate income for the New Village Hall and Sports Pavilion could re-generate the parish's community spirit that existed before Covid.	7/18/2023 8:24 PM
35	New VillageHall desperately needed.	7/18/2023 6:54 PM
36	The current facilities are inadequate for many activities. Parking is abysmal, and no room for expansion	7/18/2023 2:53 PM
37	The village is desperately in need of a more suitable facility.	7/18/2023 12:34 PM
38	This development will have a hugely positive impact on the village community as a whole as well as a much needed benefit to the children of st marks school.	7/18/2023 9:56 AM
39	It has the space to build a modern Village Hall and Pavilion unlike the existing site in Hut Lane. It will have ample parking off one of the main village roads, that will make it more attractive to potential users.	7/17/2023 5:41 PM
40	As above	7/17/2023 5:09 PM
41	As per my previous answer. The current village hall is past its sell by date!	7/17/2023 1:46 PM
42	The current facility is clearly not fit for purpose -- too old and small. The new facility looks amazing - and I really think it will help bring the community together.	7/17/2023 10:04 AM
43	The existing building down Hut Lane is quaint and in a beautiful setting but too tucked away down a bumpy lane to be welcoming and very draughty.	7/17/2023 8:00 AM
44	Need a new one to bring more life into Hadlow down and a better place for people to go and use	7/16/2023 9:23 PM
45	The provision of a new and combined Hall and Sports Pavilion will be an excellent community asset for current and future generations that will be the focal point for inter generational clubs, learning, functions and sports activities. It will also provide off road car parking off of School Lane which will be much safer and reduce parking issues for residents . There will be many social , physical and environmental benefits of the new building for all of the villagers and visitors who use it - as a very rural community it will be a wonderful facility for people to meet and socialise, reduce loneliness, share co working spaces to save on commuting , learn and play.	7/16/2023 7:22 PM
46	I feel that when people consider moving to live in an area such as Hadlow Down, a major part of the appeal is the open green space and quieter day-to-day life style, in doing so surely part of that decision making process is that supermarkets, sports centres, petrol stations etc are not 'round the corner' so to speak. I was born and lived for 35 years in Maidstone. Moving to Hadlow Down in 2016 has made me appreciate so much the beautiful open spaces and peace that are fast becoming less and less and I accept wholeheartedly that if I want to attend a gym - I go to Heathfield, a supermarket - I go to Crowborough, or - move back to a town fully appointed with restaurants, shops, sports centres, nightlife, libraries etc. If I come to a point where I feel bored by a lack of facilities on my immediate doorstep in a small rural setting such as Hadlow Down, I would look to move, not change the landscape to suit my transient needs. The village green is rare in that it's so magically unspoilt and a beautiful space just to be in, decimating it with a modern sports facility and parking area, plus the extra footfall it would bring is so, so short-sighted and in my opinion, greedy. Everyone in this day and age has a car and is able to travel, once we build on these spaces that have existed for hundreds of years there is no getting them back. On another note, School Lane which leads to the green is made perilous twice a day Monday to Friday by the Kamikaze school run, clogging access by ridiculous double parking and do-or-die car charges to find the nearest parking space to the school or simply get from the main road junction to the green. Does this lane need more traffic which would result from the planned development? One last point, I use the green daily for dog walking and I am frequently picking up litter left largely by the vandalised football nets, there will no doubt be countless more litter and vandalism opportunities for those intellectually challenged souls with the attraction of a shiny new pavilion to hang round.	7/16/2023 6:34 PM

47	The old village has really poor parking, and access not great plus its hard for visitors to find.	7/16/2023 2:00 PM
48	The existing village hall and sports pavilion are both not fit for purpose. The existing village hall site is not suitable for the construction of a new village hall (parking, access, etc.).	7/16/2023 1:03 PM
49	It seems to make sense to build a new modern facility with more space for parking down in the playing field rather than spend more money refurbishing the old village hall which has limited parking and small bumpy roads for access.	7/16/2023 12:46 PM
50	Vehicular access to the site would be much safer and easier and it makes sense to co-locate under one roof facilities for general community use as well as sport. Also it would mean that such provision and with only one building to manage would be better co-ordinated under the management of a single organisation. Also greater space will be available for car parking including dedicated disabled user spaces.	7/16/2023 8:54 AM
51	While improvements have been made to the Village Hall through the decades, it is impossible to make it thermally efficient, attractive and with adequate parking.	7/15/2023 9:03 PM
52	I have used this hall for many years and regard it as an essential addition to the village life Hadlow Down. Sadly the building is steadily deteriorating despite efforts to maintain it and the people who use it on a regular basis are becoming frustrated by the lack of space and storage for their events, and the poor quality of the public facilities. The lack of parking for the hall at the junction of two unmade, un-adopted roads is a big problem for visitors and users to the hall, as indeed is the dangerous access and exit to the A272 for vehicles.	7/15/2023 1:30 PM
53	It's a good use of a space that will become a bigger part of village life. A central hub for people to get together.	7/15/2023 1:28 PM
54	The existing hall is old and not well insulated, I consider any proposal to replace the roof on the existing hall to be an absolute waste of money as it will not enhance the hall and encourage greater use. In particular the adjacent village of Buxted have several organisations which would welcome the availability of a combined Pavillion and modern Village Hall. It would certainly give greater satisfaction to existing users and encourage new users.	7/14/2023 8:56 PM
55	It's not needed & the cost is prohibitive	7/14/2023 10:56 AM
56	The existing village hall and sports pavilion are simply too small for the needs of a growing village. It would be lovely to have a community hub for all ages to use and enjoy.	7/13/2023 11:51 PM
57	Kids football	7/13/2023 11:27 AM
58	As per answer to question 2	7/12/2023 1:59 PM
59	I agree the Playing Fields is a better location for a combined Village Hall/ Sports Pavilion. This moves the location from a residential area, with access by an up-adopted road which is in state of repair (but no one, other than the residents are liable for) and reduces risk of potential accidents turning onto A272 from Hut Lane.	7/11/2023 12:47 PM
60	We need a space where all age groups in the village feel they can go to at any time of day and feel comfortable and that they are part of it and that part belongs to them. I would like to think that the hall could be "manned" during popular hours and in particular after school where local children had organised regular activities.	7/11/2023 10:48 AM
61	The existing village facilities need updating and bringing together on one site.	7/11/2023 9:32 AM
62	A quality indoor space is important to attract people to events and clubs in the village	7/11/2023 9:28 AM
63	We have a hall of the perfect size for the size of the village. Most of the users of the hall are from outside of the village. A larger hall would encourage more car journeys to our village. The current hall is already underused as are a lot of halls. The church advertises for people to hire there space as well as the current hall. concentrate on improving the current hall in the center of the village in a truly stunning location. WE do not need a £2000000.00 hall.	7/10/2023 9:12 PM
64	Parking is very limited at the current hall. It makes sense to have sports and social facilities under 1 roof.	7/10/2023 4:14 PM
65	The existing building won't last much longer without substantial funds being spent for upkeep. No parking No proper staging or lighting Not suitable for sporting activities	7/8/2023 4:22 PM
66	As above - I'd welcome a new have that encourages a wider range of activities and clubs and that attracts visitors from surrounding visitors because of updated facilities	7/7/2023 6:50 PM
67	I live in School Lane and enjoy hearing cricket, etc being played on the weekends. It's quiet	7/7/2023 7:33 AM

and unobtrusive. A new village hall and parking on the playing field will bring significant increased noise potentially late into the evening and additional traffic - with 43+ cars leaving the site late at night. Speeding is already an issue in School Lane - this will make it even worse. Events such as parties/weddings are noisy - lots of people, music, etc. There would be no more peaceful afternoons or evenings in the garden for those of us who live close by. Please don't spoil our peaceful location with this development.

68	The existing village hall needs extensive renovation however even with this it is still not on a suitable easily accessible site. The playing field ticks all the boxes for a much improved community building along with much better access.	7/5/2023 7:24 PM
69	Its a location already used by certain communities within the village, the plans show there is space for improving the facilities already there, it will be in a more prominent area, easier for visitors to find compared to our present hall and it is the best option we have available to us.	7/5/2023 1:49 PM
70	See 2 above.	7/5/2023 10:36 AM
71	The current village hall is not fit for purpose, lacks adequate storage space (some of this is provided by villagers but is also not fit for purpose) and better facilities would encourage more frequent village gatherings which are important for social connectivity and a sense of belonging.	7/4/2023 9:40 AM
72	As above	7/3/2023 3:44 PM
73	As above believe that existing facilities, with a little improvement, meet the requirements of the village. I do not believed that the level of funding that would be required for the proposed building will all be able to be obtained but grants alone and therefore villagers will have to pay in the future.	7/3/2023 3:27 PM
74	As explained above	7/3/2023 2:23 PM
75	As above	7/3/2023 1:44 PM
76	It might be the last chance to keep the village going as a village.	7/3/2023 1:33 PM
77	Having attended yoga classes in the High Hurstwood VH and a couple of village fayres, I can definitely see the benefit in having an up to date, modern VH within the village green area and which accommodates all members of the community and beyond.	7/3/2023 1:27 PM
78	The current halls lack of parking has meant that we have gone elsewhere when we could have hired locally. The building is quite tired so hopefully this will encourage more groups and classes eg baby groups etc into the village.	7/2/2023 5:32 PM
79	It would be nice to have a village hall which could accommodate a wider variety of activities with adequate parking.	7/2/2023 12:44 PM

Q4 In the last year, have you been to an event in The Village Hall? Please tick all that apply

7	Regular walks in the playing field	7/23/2023 9:41 PM
8	I run there and play football.	7/23/2023 9:36 PM
9	I attended a very interesting meeting in support of mental health for the elderly.	7/23/2023 6:01 PM
10	Never been to one	7/22/2023 10:45 PM
11	Fireworks night	7/22/2023 9:25 AM
12	I normally attend the fireworks.	7/22/2023 9:01 AM
13	When I bring my grandchildren to the playground we often also walk or run around the field with the dog(we always clear up after her if needed)	7/21/2023 10:03 PM
14	The current pavilion hall isn't attractive for use. This has prevented me from making the effort. I do sometimes run around the field in the summer	7/21/2023 9:04 PM
15	I normally attend the Pavilion / Playing Field for walks, jogging or events that do not class with holidays. As it is I would readily attend outdoor theatre productions and Pop Up suppers, apart from personal training runs around the field.	7/21/2023 9:02 PM
16	Bonfire Night	7/19/2023 8:53 PM
17	ENGage meeting, and volunteers tea bash	7/19/2023 1:28 PM
18	I walk on the field and cook for and attend the seasonal fundraising Pop Up suppers.	7/18/2023 8:24 PM
19	TN22 fortnightly	7/18/2023 6:54 PM
20	TN22 Clubs	7/18/2023 12:34 PM
21	Volunteer Tea Party	7/17/2023 8:00 PM
22	Dog walking	7/17/2023 5:09 PM
23	Bonfire night	7/17/2023 4:39 PM
24	Fireworks / Playground / Dog Walking	7/17/2023 10:04 AM
25	Not an event but use the field daily	7/16/2023 6:34 PM
26	Village Fayre and firework night	7/16/2023 2:00 PM
27	None	7/16/2023 1:15 PM
28	Fireworks and Bonfire	7/16/2023 1:03 PM
29	Ordinarily, I along with many others would attended the annual Bonfire and Firework Evening last year but it was cancelled due to bad weather	7/16/2023 8:54 AM
30	Taking young children to the play area.	7/15/2023 9:03 PM
31	Walking around field and taking children on to the palyground	7/15/2023 1:30 PM
32	Firework display	7/14/2023 10:56 AM
33	Annual village fireworks	7/14/2023 10:45 AM
34	Dog walking TN22 volunteer meeting/teaparty	7/12/2023 9:48 PM
35	Bonfire night (2021) Planning to attend outdoor theatre	7/11/2023 9:32 AM
36	Bonfire	7/5/2023 7:24 PM
37	Not attended any event	7/4/2023 2:35 PM
38	None	7/3/2023 7:30 PM
39	Dog walk	7/3/2023 3:44 PM
40	The survey keeps ticking this box, I have nothing to say	7/3/2023 3:27 PM
41	Not been to an event recently, use the kids playground.	7/3/2023 1:44 PM

We use the playing fields for dog walking/chasing a tennis ball which is why we attend the playing fields area weekly so not sure that this counts

Q7 What type of activities would you, or someone in your household, be interested in attending in the New Village Hall and or Sports Pavilion? Please tick all that apply

8	None, I prefer the green as it is, unspoilt.	7/16/2023 6:34 PM
9	Public meetings	7/16/2023 2:00 PM
10	A badminton club would be good.	7/11/2023 9:28 AM
11	Badminton	7/8/2023 4:22 PM
12	The question only relates to a new facility, not the existing and in view of my answer to question 2 cannot be answered.	7/5/2023 10:36 AM
13	Not wanted	7/3/2023 7:30 PM
14	Yoga. Pilates	7/3/2023 4:41 PM
15	None	7/3/2023 3:44 PM
16	Yoga or does this come under fitness classes	7/3/2023 1:27 PM
17	Possibly a community cafe? Other new build halls have these and i think it's a good idea as there is nothing locally within walking distance. It would also encourage people to work from the hall etc is there's a coworking space.	7/2/2023 5:32 PM

Q8 What would make you more likely to attend activities/events in the New Village Hall and Sports Pavilion compared to the existing Hall? Tick any that apply

Answered: 117 Skipped: 14

ANSWER CHOICES	RESPONSES	
Nothing, I attend plenty	11.11%	13
Activities that interest me (please tell us more)	23.93%	28
Better accoustics	13.68%	16
Better publicity of events	21.37%	25
Wi-Fi	27.35%	32
Improved Heating	37.61%	44
Access and facilities for disabled people	18.80%	22
Excellent kitchen facilities	32.48%	38
Better lighting	23.93%	28
Adequate Parking	54.70%	64
Electric Charging points for vehicles	8.55%	10
Dedicated Bike and Pram parking	5.13%	6
Bar and Club Room	43.59%	51
Improved toilet and changing rooms	43.59%	51
Shower Facilities	11.11%	13
More whole Community Events e.g Village Fayre and Bonfire Celebrations	52.99%	62
Relocation of Children's Play Area away from Road	17.95%	21
Coffee Hub	41.03%	48

Total Respondents: 117

#	OTHER (PLEASE SPECIFY)	DATE
1	Golf hitting nets	7/26/2023 11:49 AM
2	I am interested and involved in art and writing	7/26/2023 11:36 AM
3	Foraging	7/24/2023 8:10 PM
4	More sport events. Such as table tennis tables. Pool tables would interest me. Badminton courts?	7/24/2023 6:31 AM
5	Nothing wrong with the current VH	7/22/2023 10:45 PM
6	I think in having a new and well equipped hall, younger people may be drawn to the hall and thus could create more relevant clubs and activities. So I think I good hall overall would make me keen to participate more.	7/22/2023 9:01 AM
7	Greater parking area	7/19/2023 6:29 PM
8	Better parking.	7/18/2023 6:54 PM
9	Indoor games/ sports Music events	7/17/2023 9:59 PM
10	I would love it to be a venue for adult education. Slimming World or Weight Watchers would be good too!	7/17/2023 1:46 PM
11	I use facilities elsewhere	7/16/2023 6:34 PM
12	Energy efficiency of building	7/16/2023 2:00 PM
13	The current village hall is wholly unappealing as a venue for anything. A new venue would encourage us to attend events.	7/16/2023 1:15 PM
14	Honestly, just to have a that area as a unified whole with a modern building you have easy access to. e.g. I don't watch village cricket there now but I would as part of a wider community area.	
15	Storage facilities for users of the hall Play area that included skate park/items for older children	7/8/2023 4:22 PM
16	A new medical centre would be welcome. Many older residents struggle to get to Buxted or Mayfield and they are both over subscribed.	7/5/2023 7:24 PM
17	General ambiance	7/5/2023 1:49 PM
18	The question only relates to a new facility, not the existing and in view of my answer to question 2 cannot be answered.	7/5/2023 10:36 AM
19	None	7/3/2023 7:30 PM
20	If it was in keeping with village scale and didn't attract additional people	7/3/2023 3:44 PM
21	Yoga or pilates	7/3/2023 1:44 PM
22	Also not to have dog training in the hall. I think it's unhygienic for certain activities regardless of cleaning and puts me off hiring for children etc. most trainers do this outside regardless of weather. An outside enclosed area that is connected to the hall as this would make people more likely to fire for weddings etc.	7/2/2023 5:32 PM

Q9 Thinking about your answers to questions 7 & 8, if the new building did provide more activities of interest and better facilities, how likely would you be to use it?

Answered: 129 Skipped: 2

ANSWER CHOICES	RESPONSES	
Very likely	54.26%	70
Likely	26.36%	34
Neither likely nor unlikely	6.20%	8
Unlikely	4.65%	6
Very unlikely	8.53%	11
TOTAL		129

Q10 Thinking about activities in The Village Hall and Sports Pavilion, what days and times suit you best to attend events? Please tick any that apply

Answered: 109 Skipped: 22

Q12 If you do attend activities/groups outside of the village what Prevents you from attending this kind of activity in Hadlow Down?

Answered: 97 Skipped: 34

ANSWER CHOICES	RESPONSES	
None of the above	18.56%	18
No activity of this type offered in the village	56.70%	55
Already a member of a group outside of the Village	21.65%	21
Venue is not suitable	26.80%	26
Facilities are better elsewhere	34.02%	33
Too expensive	0.00%	0
Prefer to attend activities outside the village	1.03%	1
Poor facilities for people with disabilities eg: Hearing Loop, Braille signage	2.06%	2
Not enough parking	21.65%	21
No disabled parking	3.09%	3
Total Respondents: 97		

#	PLEASE ADD ANY COMMENTS YOU HAVE HERE	DATE
---	---------------------------------------	------

1	I so not live permanently in Hadlow Down. I come here to get away from social activities.	7/24/2023 3:49 PM
2	If there were more creative oppotunities I would attend.	7/23/2023 6:01 PM
3	Already attend TN22 clubs as a volunteer.	7/19/2023 6:29 PM
4	Tennis club	7/19/2023 10:13 AM
5	A stage area or studio theatre facility would attract those interested in drama.	7/19/2023 9:46 AM
6	N	7/17/2023 4:39 PM
7	Timings of activities don't suit	7/17/2023 1:46 PM
8	I used to bring a number of friends and family to events in the current hall but due to mobility / impairment issues they are no longer able to attend as I and they worry about access issues.	7/16/2023 7:22 PM
9	As I have already mentioned, I accepted when I moved here that it is very rural - that was the appeal. I use facilities elsewhere and would not wish to keep my life just in Hadlow Down.	7/16/2023 6:34 PM
10	Building not appropriate.	7/16/2023 2:00 PM
11	I don't believe they hold the activities I enjoy	7/6/2023 7:42 PM
12	A pool - even an outdoor lido like Lewes would be extremely popular with the growth in popularity of outside swimming.	7/5/2023 7:24 PM
13	I want to visit outside the area, I like quiet rural village life and can go out of it for more facilities at my choice (Uckfield or Crowborough leisure centres). I don't want more traffic, noise and pollution to come to me!	7/3/2023 3:44 PM
14	Also as mentioned above I think it's unhygienic to have certain classes running when you have dog training inside the hall. Eg. Baby sensory where they're on the floor as there are vulnerable immune wise. For dance classes I would run one but you don't have mirrors or the option to have temporary mirrors.	7/2/2023 5:32 PM

Q13 If you run a local business or work for an organisation or charity, would you be interested in hiring the New Village Hall for any of the following? The New Hall will provide wifi, hearing loop, disabled access and dedicated disabled parking facilities. Please tick all that apply

#	OTHER (PLEASE SPECIFY)	DATE
1	Would need to consider other commitments	7/23/2023 5:30 PM
2	As a farmer, my availability is unpredictable	7/22/2023 7:35 PM
3	i don,t want this so won,t help	7/22/2023 8:42 AM
4	I would love to help. I have strategic and project development experience but my time is limited between work and study. So sorry.	7/21/2023 9:04 PM
5	My work does constrain me but I am willing to do my part as time permits.	7/21/2023 9:02 PM
6	attending fundraising activities	7/21/2023 6:05 PM
7	Once my other commitments reduce, I may have more time to devote to this worthy cause.	7/21/2023 9:16 AM
8	Would prefer to help in a supporting rather than leadership role	7/18/2023 8:24 PM
9	I can help with occasional supporting activities	7/17/2023 9:59 PM
10	Don't support the idea so none	7/16/2023 6:34 PM
11	I'm already on the committee	7/12/2023 9:48 PM
12	not interested in helping something i have no confidence in	7/10/2023 9:12 PM
13	I can help with a protest organisation to not build it!	7/3/2023 3:44 PM
14	very little time or money	7/3/2023 1:33 PM

Q15 We have a considerable task ahead of us to raise funds, what help, if any, can you offer? Please tick any that apply

Answered: 105 Skipped: 26

ANSWER CHOICES	RESPONSES	
None of the above	45.71%	48
Bid writing	4.76%	5
Help with grant funding applications	4.76%	5
Sponsor some of the building works	1.90%	2
Become a major donor	0.00%	0
Offer building or business advice	4.76%	5
Join a community crowd funding initiative	23.81%	25
Make a one off donation	25.71%	27

Total Respondents: 105

#	PLEASE TELL US A LITTLE MORE ABOUT HOW YOU WOULD LIKE TO HELP. IT WOULD BE HELPFUL IF YOU COULD INCLUDE ANY DETAILS OF YOUR SKILLS AND RELEVANT EXPERIENCE.DO YOU HAVE ANY OTHER COMMENTS OR SUGGESTIONS?	DATE
1	I have no relevant skills but always willing to help when required (subject to issues on the	7/26/2023 11:36 AM

farm)

2	Would need to consider other commitments	7/23/2023 5:30 PM
3	I have no skills relevant, so far as I know, but (subject to availability) always willing to help. Prior to farming, I worked in Insurance in the City at a senior level.	7/22/2023 7:35 PM
4	I would be willing to spread the word about the hall with friends. I'd be willing to collect funds locally e.g. in a local town.	7/22/2023 9:01 AM
5	If this was after august 2024 when my MA completes I would willing assist.	7/21/2023 9:04 PM
6	I would love to be involved but at the moment I can only attend meetings.	7/21/2023 9:02 PM
7	See above	7/21/2023 9:16 AM
8	I am not sure that I have any spare capacity to help nor do I have any relevant experience. However from using the club regularly I feel quite strongly that Hadlow Down should have a modern village hall with good facilities, which our club would benefit greatly from and which is why I would like to help if I can.	7/20/2023 6:58 AM
9	At present I teach four days a week and many evenings and weekends are spent rehearsing, so time is very limited. Who knows in the future!	7/19/2023 9:46 AM
10	Catering to support fundraising and supporting other fundraising events in a practical way.	7/18/2023 8:24 PM
11	I happy to do a sponsored something to raise funds as I'm sure alot of people I know should get involved with if I asked	7/17/2023 5:09 PM
12	Politely, I do not support the plan so would want no part in progressing it's development.	7/16/2023 6:34 PM
13	I am a commercial and risk manager. I deal with major projects, facilities management contracts and supply chain.	7/15/2023 1:28 PM
14	I would be up for occasional volunteering during the build phase. I'd like to see the village fayre revived and would be up for a supporting role but not a leading role as I spend too much time leading!	7/11/2023 4:18 PM
15	Happy to be a "body" to call on when the development starts. I'm quite practical. My expertise is in computer software creation and data analysis so could maybe assist keeping project costs in line with expectation independent of the contractors.	7/11/2023 10:48 AM
16	I already buy raffle tickets.	7/10/2023 4:14 PM
17	I am happy to support fund raising activities before, during and after.	7/5/2023 1:49 PM
18	This survey is incomplete and somewhat disingenuous in that it only relates to the new hall/pavilion. I understand that is it's purpose but for people like me who now believe we should look again at the existing facilities there are no options to express that and explain why we have formed that view. These additional questions would have allowed a much more informed decision to take place, instead of which this is all worded in such a way as to assume the new building is a done deal - which is far from the case.	7/5/2023 10:36 AM
19	To be honest, with three kids and almost zero income for a while yet, I struggle to keep body and soul together so cannot help with sponsorship etc.	7/3/2023 1:33 PM
